

The image shows a detailed architectural floor plan of a building. A red dashed line, labeled with a red 'B' at its bottom-left corner, outlines a specific section of the plan. This section includes a long, narrow room with several rectangular tables and chairs, and a smaller room labeled '1.03 OBROBNA'. The plan also shows other rooms, corridors, and a parking area with several cars. The entire drawing is set against a background of dashed lines representing the building's grid and other structural elements.
