

REZ D - D

Architectural cross-section drawing of a building, showing a multi-story structure with a basement and several floors above ground. The drawing includes various rooms, corridors, and a staircase. Dimensions are provided for room heights and widths. The total height of the building is indicated as 12.225. The drawing is a technical architectural drawing with yellow hatching for walls and blue hatching for the ground. The title 'REZ D - D' is written in large, bold letters at the top left.
